FBI REVIEWED 09-Nov-2010: NO OBJECTION TO DECLASSIFICATION

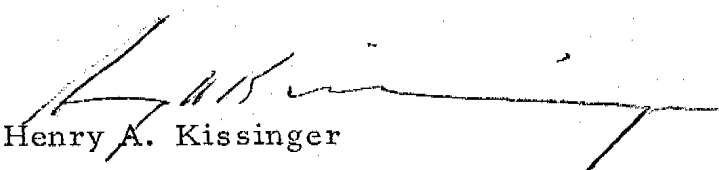

REFER TO DOS

Dear Mr. Hoover:

Thank you very much for your letter of July 1 enclosing an FBI memorandum, dated June 18, 1970, which alleges that a Mr. Kieve Milton Siegel, Chairman of KMS Industries, Ann Arbor, Michigan, had indicated previous contact with me in connection with the establishment in Israel of Eljim, a subsidiary of KMS Industries.

You should be aware that Mr. Siegel's comments are totally without basis in fact. I do not know Mr. Siegel nor have I ever heard of the project which he alleges has been approved by the U. S. Government. I trust that you will promptly so inform your representatives dealing with Mr. Siegel and add this letter to the official file on the case. I have sent a copy of my reply to the Attorney General, the Deputy Attorney General and the Assistant Attorney General, Internal Security Division.

Best regards,

  
Henry A. Kissinger
